ACQUISITION SERVICES

We make the process of acquiring an aircraft stress free and enjoyable. We will find the best aircraft to meet your needs and missions and are at your side each step of the way from beginning to end. A summary of our services to buyers includes:

- A complete understanding of your travel needs and budget to determine the perfect make and model of aircraft desired
- Global search for potential aircraft
- Detailed market analysis of aircraft prospects
- Contract negotiation and submission at the best price possible
- Inspection supervision and consultation
- Full disclosure of aircraft title
- Complete documentation and registration

BROKERAGE SERVICES

We execute a worldwide marketing program to ensure your aircraft is seen by the right pool of potential buyers and only show your aircraft to qualified buyers. A summary of our services to sellers includes:

- Perform a market analysis for the specific make and model of your aircraft
- Compile a thorough list of your aircraft's specifications
- Discuss a price point and strategic marketing plan
- Obtain professional photos and videos
- Analyze maintenance records, logbooks & aircraft history
- Compose and place professional advertisements across
- Negotiate the highest possible selling price with the most favorable terms
- Assist with title & escrow including international registry
- File all required documentation
